East Grinstead Town Football Club wishes to express its full support for this planning application. As a long-standing Community Amateur Sports Club, we recognise the significant economic benefit that the applicant's activities bring to East Grinstead and the surrounding area including the annual well-attended charity concert which raises funds for local causes. Their events and community-focused activities foster inclusion, bring people together, attract visitors, support local businesses, and contribute positively to the vitality and prosperity of the town. The provision of additional parking will also help alleviate pressure during peak periods for local sports clubs, improving safety and accessibility for all.
