Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	All this is doing is advertising and opening a big window for bad habits for people of all ages, but especially young people. The use of vapes, energy drinks and everything else this store will be selling, is proven to harm health. Why is such heavy advertising for these products allowed? We might as well start advertising cigarettes again.

Kind regards
