Comments Details

	The Committee of 5th January would Recommend Refusal based on Mid Sussex District Plan: DP26 Character & Design - Due to the overbearing impact on adjoining residents.
Comments:	However, if the District were minded to approve, the committee would request the following two planning conditions: To restrict the type of materials that can be stored in the containers to non-hazardous materials only, due to the proximity of the residential area. To restrict operating times to suitable hours due to the proximity of the residential area.

Kind regards
