Subject: RE: DM/24/2410: St Pauls Catholic College, Jane Murray Way, Burgess Hill

Dear Caroline,

Thank you for your email and apologies for the confusion.

Please find attached updated plans showing existing and proposed areas for your information.

Please note that there are existing storage containers on site which are sitting on hard landscaping. Therefore the area impacted by the proposal would be below 25m2.

We hope this helps to clarify the situation but please let us know should you require any further information.

Kind Regards,

Juan Martinez | RIBA Senior Architect, RIBA Conservation Architect
Senior Architect
