Hi Katherine,

Thanks for the update.

We agree the extension of time on all the applications until 30th January 2026.

If you have any other queries regarding the applications, please contact me.

Kind regards,

Hi Becky,

Thank you for your email.

Due to the current workload and returning from the Christmas break our Conservation Officer is dealing with a backlog of consultation requests, which has resulted in a delay in the comments for these applications. My apologies for the delay that this has caused.

I have spoken to Emily who will be able to provide comments on the applications by the end of next week, with this in mind I would like to request extensions of time for the application to 30th January, please let me know if this is acceptable.

My apologies again for this delay.

Kind Regards

Hi Katherine,

Hope you are well and you had a good weekend.

I would be grateful if you could provide an update in relation to the progress of the above applications.

I believe the applications relating to the house (DM/25/2998 & DM/25/2999) have a determination deadline of the 16th January. The applications relating to the barn conversion scheme (DM/25/3028 & DM/25/3040) have a determination deadline of the 22nd January.

I have been following the progress of the applications on the Council's website and note that there are no objections from the Tree Officer, Ecologist, and Parish Council. The Conservation Officer's comments are not however uploaded, are you able to advise when you will receive these on the applications?

Also, in terms of timescales, do you anticipate the decisions being made by the current dates?

Kind regards,

Hi Becky,

Please see the attached comments from the Flood Risk and Drainage Team, who require further information.

Myself and Emily Wade, the Council's Conservation Officer, would like to conduct a site visit to the property and will be available on 16th December at 11am, please let me know if this would be convenient for yourself.

Kind Regards
