We forward re-application at Mill Studio.
Please advise the planning fee for direct card payment.

Philip Griffiths.

Subject: Mill Studio, Reapplication for the Retention of Air Source Heat Pump.
Dear Ms. Axford,

We attach the re-application for the retention of the heat pump.
Please advise if 3 x paper copies are required.

We have opted out of a portal application, objecting to the additional administration charge.
Please advise the fee for BACS payment.

Copies have been sent to the owners of Rowfant Mill whose land the ASHP partially sits on, and Rowfant Mill Cottage.

We understand that both properties will offer no objection.

We note the significant changes in NPPF policy classing ASHP's etc as 'important public benefits', an upgrade on 'significant' weight in the determination of the application.

Philip Griffiths.
