Reasons for comment:	
Comments:	Stop putting in more applications, we gave rejected it twice. Stop tweaking the plans. We have 3 convenience shops in our village. 2 are family run that live in the village. The one you want to build is right next door to the family run shop. Why are you trying to put a family out of business that live in this village and work in our village. We do not need or want another one. The cut through traffic is bad enough in our village. We don't need anymore traffic. There isn't alot of parking as it is and the albert allow people to park to use the local Family run businesses. The cafe doesn't

have a lot. We don't need more people double parking causing it
hard to get out of junctions. Just give up

Kind regards
