Dear Chris
Thank you for supplying the Amended Plans.

Unfortunately, I will need to readvertise the application as the proposed side elevation now shows that two new windows are proposed as part of the proposed development scheme, and this could be of interest to the neighbours.

I will request the readvertisement is arranged today, which will run for 3 weeks. As a consequence, I request agreement to an Extension of time to 30.09.2026. Please make your clients aware of this delay in the determination of their application.

I look forward to hearing from you.

Regards

Anna

Dear Amber and Chris

I have started to write my recommendation report for the above application. I have noticed that the Proposed ground floor plans show the insertion of two new windows in the side wall of the house, but these are missing from the Proposed side elevation, see areas marked in green below:

In order to ensure that the Elevation plans reflect the Floor Plans, please can you update and send me the revised drawings?

I will not be able to complete my recommendation until I receive the Amended Plans.

I look forward to hearing from you.

Regards

Anna
