Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to the plans for a convenience store. 3 convenience stores already exist within a short walk from the proposed site. We do not need a 4th which will take business away from the other 3. A 4th convenience store will also result in more traffic around a dangerous area where people often speed and visibility is poor.

Kind regards
