Reasons for comment:	
Comments:	I would like to add my support to this application. Padle is one of the fastest growing sports in the country and there is a real shortage of facilities to play. This proposed venue would have great access for people to enjoy the game , get fit and interact with others. Most of the padel facilities in the area you have to drive to I believe this one less so. I believe the Triangle only has 1 court availble . This is a much needed community resource please grant permission.

Kind regards
