Dear Sir/Madam

**Earthingleigh College Road Ardingly Haywards Heath
Variation of Condition 2 - Approved Plans and Condition 9 - Sustainability, pursuant to
DM/22/0752 (as amended by NMA DM/25/0992).**

I advise that your application DM/25/0816 was **Granted Permission** on **2nd June 2025**.

I enclose a copy of the Decision Notice in relation to the above application. If you are acting as an Agent please ensure that a copy is given to the applicant. **Please read the notes accompanying this decision notice carefully.**

Please also be advised that this permission does not constitute an approval under Building Regulations. Before you proceed with your proposal you should ensure that a Building Control application is not required, or has been submitted.

Yours faithfully

Ann Biggs
Assistant Director Planning and Sustainable Economy

TOWN AND COUNTRY PLANNING ACT 1990
TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT PROCEDURE)
(ENGLAND) ORDER 2015

PERMISSION

REFERENCE: DM/25/0816

DESCRIPTION: VARIATION OF CONDITION 2 - APPROVED PLANS AND
CONDITION 9 - SUSTAINABILITY, PURSUANT TO DM/22/0752
(AS AMENDED BY NMA DM/25/0992).

LOCATION: EARTHINGLEIGH, COLLEGE ROAD, ARDINGLY, HAYWARDS
HEATH

DECISION DATE: 2 JUN 2025

CASE OFFICER: HAMISH EVANS - HAMISH.EVANS@MIDSUSSEX.GOV.UK

The Council hereby notify you that they **GRANT** planning permission for the above development to be carried out in accordance with the submitted application and plans and subject to compliance with the following conditions:-

Conditions

1. The development hereby permitted shall be begun before the expiration of 3 years from the date of the original permission DM/22/0752, which was permitted on the 17th January 2024.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

2. **Approved Plans**

The development hereby permitted shall be carried out in accordance with the plans listed below under the heading "Plans Referred to in Consideration of this Application".

Reason: For the avoidance of doubt and in the interest of proper planning.

3. No development shall be carried out until a schedule and/or samples of materials and finishes to be used for the external walls and roofs of the proposed dwellings have been submitted to and approved in writing by the Local Planning Authority. The works shall be carried out in accordance with the approved details unless otherwise agreed in writing with the Local Planning Authority.

Reason: To enable the Local Planning Authority to control the development in detail in the interests of amenity by endeavouring to achieve a development of visual quality and to accord with Policy DP26 of the Mid Sussex District Plan and Policy ARD5 of the Ardingly Neighbourhood Plan.

4. The development hereby permitted shall not commence unless and until details of the proposed foul and surface water drainage and means of disposal have been submitted to and approved in writing by the local planning authority. No building shall be occupied until all the approved drainage works have been carried out in accordance with the approved details. The details shall include a timetable for its implementation and a management and maintenance plan for the lifetime of the development which shall include arrangements for adoption by any public authority or statutory undertaker and any other arrangements to secure the operation of the scheme throughout its lifetime. Maintenance and management during the lifetime of the development should be in accordance with the approved details.

Reason: To ensure that the proposal is satisfactorily drained and to accord with the NPPF requirements and Policy DP41 of the Mid Sussex District Plan (2014 - 2031).

5. No part of the development shall be first occupied until covered and secure cycle parking spaces have been provided in accordance with plans and details to be submitted to and approved by the Local Planning Authority.

Reason: To provide alternative travel options to the use of the car in accordance with current sustainable transport policies and to comply with Policy DP21 of the Mid Sussex District Plan. (2014 - 2031)

6. No part of the development shall be first occupied until the car parking has been constructed in accordance with the approved site plan. These spaces shall always thereafter be kept for their designated purpose.

Reason: To provide car-parking space for the use and to comply with Policy DP21 of the Mid Sussex District Plan. (2014 - 2031)

7. No part of the development shall first be occupied until such time as the vehicular access has been constructed in accordance with plans and details to be submitted to and approved in writing by the Local Planning Authority.

Reason: In the interests of carriageway safety and to comply with Policy DP21 of the Mid Sussex District Plan. (2014 - 2031)

8. The use of the access shall not commence until visibility splays of 2.4 metres x 47 metres have been provided at the proposed site vehicular access onto College Road in accordance with plans and details to be submitted to and approved in writing by the Local Planning Authority. The splays shall be maintained and kept free of all obstructions over a height of 0.6 metre above adjoining carriageway level or as otherwise agreed.

Reason: In the interests of carriageway safety and to comply with Policy DP21 of the Mid Sussex District Plan. (2014 - 2031)

9. No dwelling shall not be occupied unless and until an independent final report has been prepared and submitted to the Local Planning Authority to demonstrate that the development has complied with the criteria as set out within the Sustainability Statement produced by ECE Planning dated 26 March 2025.

Reason: In order to achieve a sustainable development and to accord with Policy DP39 of the District Plan (2014 - 2031).

10. No dwelling shall not be occupied unless and until details of the glazed privacy screens located on the sides and between the new balconies has been submitted and approved. These shall be erected prior to occupation of the dwellings and thereafter retained unless otherwise agreed in writing by the Local Planning Authority.

Reason: To protect the amenities and privacy of the adjoining property and to accord with Policy DP26 of the Mid Sussex District Plan (2014 - 2031).

11. Prior to the commencement of construction of any building subject of this permission, including construction of foundations, full details of a hard and soft landscaping scheme shall be submitted to and approved by the Local Planning Authority. These details shall include indications of all existing trees and hedgerows on the land, and details of those to be retained, together with measures for their protection in the course of development. These and these works shall be carried out as approved. The works shall be carried out prior to the occupation of any part of the development or in accordance with the programme agreed by the Local Planning Authority. Any trees or plants which, within a period of five years from the completion of development, die, are removed or become seriously damaged or diseased, shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority gives written consent to any variation.

Reason: In the interests of visual amenity and of the environment of the development and to accord with Policy DP26 and DP37 of the Mid Sussex District Plan 2014 - 2031.

12. All mitigation and enhancement measures and/or works shall be carried out in accordance with the details contained in the Reptile Presence/Likely-Absence Survey (Arbtech Consulting Limited, October 2023) and the Ecological Appraisal Survey (Arbtech Consulting Limited, September 2021), as already submitted with the planning application and agreed in principle with the local planning authority prior to determination. This will include the appointment of an appropriately competent person e.g. an ecological clerk of works (ECOW) to provide on-site ecological expertise during construction. The appointed person shall undertake all activities, and works shall be carried out, in accordance with the approved details.

Reason: To conserve and enhance protected and Priority species and allow the LPA to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), the Wildlife & Countryside Act 1981 as amended and s40 of the NERC Act 2006 (Priority habitats & species) and to comply with DP38 of the Mid Sussex District Plan.

13. The development hereby permitted shall not commence unless and until a Reptile and Enhancement Mitigation Strategy addressing the mitigation and translocation of reptiles has been submitted to and approved in writing by the local planning authority.

The Reptile Mitigation Strategy shall include the following.

- a) Purpose and conservation objectives for the proposed works.
- b) Review of site potential and constraints.
- c) Detailed design(s) and/or working method(s) to achieve stated objectives.
- d) Extent and location/area of proposed works on appropriate scale maps and plans.
- e) Type and source of materials to be used where appropriate, e.g. native species of local provenance.
- f) Timetable for implementation demonstrating that works are aligned with the proposed phasing of development.
- g) Persons responsible for implementing the works.
- h) Details of initial aftercare and long-term maintenance of the Receptor area(s).
- i) Details for monitoring and remedial measures.
- j) Details for disposal of any wastes arising from works.

The Reptile Mitigation and Enhancement Strategy shall be implemented in accordance with the approved details and all features shall be retained in that manner thereafter.

Reason: To allow the LPA to discharge its duties under the Wildlife & Countryside Act 1981 (as amended) and s40 of the NERC Act 2006 (Priority habitats & species) and to comply with DP38 of the Mid Sussex District Plan.

14. No development above slab level shall commence unless and until a Biodiversity Enhancement Layout, providing the finalised details and locations of the enhancement measures contained within the Ecological Appraisal Survey (Arbtech Consulting Limited, September 2021) shall be submitted to and approved in writing by the local planning authority.

The enhancement measures shall be implemented in accordance with the approved details prior to occupation and all features shall be retained in that manner thereafter.

Reason: To enhance protected and Priority species and allow the LPA to discharge its duties under the s40 of the NERC Act 2006 (Priority habitats & species) and to comply with Policy DP38 of the Mid Sussex District Plan.

15. The obligations under the planning obligation by the way of unilateral undertaking dated 16th January 2024 pursuant to the previous application DM/22/0752 will be equally applied to and satisfy the requirements necessitated under this application DM/25/0816.

Reason: To secure the financial contributions for SAMM and SANG mitigation for this proposal and to comply with policy DP17 of the Mid Sussex District Plan.

Biodiversity Net Gain

1. This permission is considered to be one which **will not require the approval of a biodiversity gain plan before development is began** because it is considered that one or more of the statutory exemptions or transitional arrangements is considered to apply.

Please see the information contained within the notes to applicants/agents set out below.

Informatives

1. Section 278 Agreement of the 1980 Highways Act - Works within the Highway
The Local Highways Authority (LHA) advises the applicant to enter into a legal agreement with West Sussex County Council, as Highway Authority, to cover the off-site highway works. The applicant is requested to contact The Implementation Team Leader (01243 642105) to commence this process. The applicant should note that it is an offence to undertake any works within the highway prior to the agreement being in place.
2. In accordance with Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015, the Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.
3. Your attention is drawn to the requirements of the Environmental Protection Act 1990 with regard to your duty of care not to cause the neighbours of the site a nuisance.

Accordingly, you are requested that:

- Hours of construction/demolition on site are restricted only to: Mondays to Fridays 0800 - 1800 hrs, Saturdays 0900 - 1300 hrs, No construction/demolition work on Sundays or Public Holidays.
 - Measures shall be implemented to prevent dust generated on site from crossing the site boundary during the demolition/construction phase of the development.
 - No burning of materials shall take place on site at any time.
 - If you require any further information on these issues, please contact Environmental Protection on 01444 477292.
4. The proposed development will require formal address allocation. You are advised to contact the Council's Street Naming and Numbering Officer before work starts on site. Details of fees and developers advice can be found at www.midsussex.gov.uk/streetnaming or by phone on 01444 477175.
 5. The applicant is reminded that, under the Conservation of Habitats and Species Regulations 2017 (as amended) and the Wildlife and Countryside Act 1981 (as amended), it is an offence to (amongst other things): deliberately capture, disturb, injure, or kill great crested newts; damage or destroy a breeding or resting place; intentionally or recklessly obstruct access to a resting or sheltering place. Planning permission for a development does not provide a defence against prosecution under this legislation. Should great crested newts be found at any stage of the development works, then all works should cease, and a professional and/or suitably qualified and

experienced ecologist (or Natural England) should be contacted for advice on any special precautions before continuing, including the need for a licence.

Human Rights Implications

The planning application has been considered in light of statute and case law and any interference with an individual's human rights is considered to be proportionate to the aims sought to be realised.

Plans Referred to in Consideration of this Application

The following plans and documents were considered when making the above decision:

Plan Type	Reference	Version	Submitted Date
Site Plan	7574-PL-03B		25.03.2025
Site Plan	7574-PL-04B		25.03.2025
Proposed Floor Plans	7574-PL-05		25.03.2025
Proposed Floor Plans	7574-PL-06		25.03.2025
Proposed Roof Plan	7574-PL-07A		25.03.2025
Proposed Floor Plans	7574-PL-08		25.03.2025
Proposed Floor Plans	7574-PL-09		25.03.2025
Proposed Roof Plan	7574-PL-10A		25.03.2025
Proposed Elevations	7574-PL-11A	North	25.03.2025
Proposed Floor and Elevations Plan	7574-PL-12A	South	25.03.2025
Proposed Elevations	7574-PL-13A	West	25.03.2025
Proposed Elevations	7574-PL-14A	East	25.03.2025
Site Plan	7574-PL-15A		25.03.2025
Site Plan	11109_101_P2		25.03.2025

Ann Biggs
Assistant Director Planning and Sustainable Economy

PECNDZ

APPEALS TO THE SECRETARY OF STATE

Notes for Applicants

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice;

However, if

- (i) this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, and you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice; or
- (ii) an enforcement notice is subsequently served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within:
 - 28 days of the date of service of the enforcement notice, or
 - within 6 months (12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>.

If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.uk](#).

Biodiversity Net Gain

The effect of paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 is that planning permission granted for the development of land in England is deemed to have been granted subject to the condition “(the biodiversity gain condition)” that development may not begin unless:

- (a) a Biodiversity Gain Plan has been submitted to the planning authority, and
- (b) the planning authority has approved the plan.

The planning authority, for the purposes of determining whether to approve a Biodiversity Gain Plan if one is required in respect of this permission would be Mid Sussex District Council.

There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply.

Statutory exemptions and transitional arrangements in respect of the biodiversity gain condition that apply in this instance

The planning permission was granted on an application made under Section 73 of the Town and Country Planning Act 1990 and

- (i) The original planning permission to which the Section 73 planning permission relates* was granted before 12th February 2024, or
- (ii) The application for the original planning permission* to which the Section 73 planning permission relates was made before 12th February 2024.

* "original planning permission means the permission to which the Section 73 planning permission relates" means a planning permission which is the first in a sequence of two or more planning permissions, where the second and any subsequent planning permissions are Section 73 planning permissions.

Irreplaceable habitat

If the onsite habitat includes irreplaceable habitat (within the meaning of the Biodiversity Gain Requirements (Irreplaceable Habitat) Regulations 2024) there are additional requirements for the content and approval of Biodiversity Gain Plans.

The Biodiversity Gain Plan must include, in addition to information about steps taken or to be taken to minimise any adverse effect of the development on the habitat, information on arrangements for compensation for any impact the development has on the biodiversity of the replaceable habitat.

The planning authority can only approve a Biodiversity Gain Plan if satisfied that the adverse effect of the development on the biodiversity of the irreplaceable habitat is minimised and appropriate arrangements have been made for the purpose of compensating for any impact which do not include the use of biodiversity credits.

The effect of section 73D of the Town and Country Planning Act 1990

If planning permission is granted on an application made under section 73 of the Town and Country Planning Act 1990 (application to develop land without compliance with conditions previously attached) and a Biodiversity Gain Plan was approved in relation to the previous planning permission ("the earlier Biodiversity Gain Plan") there are circumstances when the earlier Biodiversity Gain Plan is regarded as approved for the purpose of discharging the biodiversity gain condition subject to which the section 73 planning permission is granted.

Those circumstances are that the conditions subject to which the section 73 permission is granted:

- i) do not affect the post-development value of the onsite habitat as specified in the earlier Biodiversity Gain Plan, and

- ii) in the case of planning permission for a development where all or any part of the onsite habitat is irreplaceable habitat the conditions do not change the effect of the development on the biodiversity of that onsite habitat (including any arrangements made to compensate for any such effect) as specified in the earlier Biodiversity Gain Plan.

The effect of Paragraph 19 of Schedule 7A to the Town and Country Planning Act 1990

If the permission which has been granted has the effect of requiring or permitting the development to proceed in phases, the modifications in respect of the biodiversity gain condition which are set out in Part 2 of the Biodiversity Gain (Town and Country Planning) (Modifications and Amendments) (England) Regulations 2024 apply.

In summary: Biodiversity gain plans are required to be submitted to, and approved by, the planning authority before development may be begun (the overall plan), and before each phase of development may be begun (phase plans).

Purchase Notices

If either the Local Planning Authority or Secretary of States refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the District Council. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
