Reasons for comment:	
Comments:	I have lived in the village for nearly thirty years. Marlow House was in a seriously dilapidated condition for many many years and was in need of a major refurbishment. The outside onto the High Street now looks fabulous having been totally renovated and repainted The gardens at the rear have been landscaped and look incredible,unlike the neglected state as before. The rear elevation with the charred timber is quite spectacular.

Inside Mr & Mrs Dougall have spent considerable time & money renovating the building to a very high specification. There attention to detail is second to none.
Many original features have been restored and maintained. The materials used are all in keeping with a listed building.
I fully support this application

Kind regards
