Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this proposal of a new housing development project due to pedestrian and child safety, flooding, water and sewage capacity, loss of green space and wildlife, more pressure on essential services e.g. GP and dentist, future expansion and policy conflict. We need to embrace what we have rather than adding more houses. Enough is enough.

Kind regards
