Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This development is outside the neighbourhood plan development area. Already a very busy road, it will further endanger the many young children who walk to school on this route. The entrance to the estate will be on a narrowing stretch of the road with bends and parked cars making entry and exit to/from the estate dangerous. This area is known to flood. The additional vehicles associated with the housing will further add to the noise and pollution suffered by adjacent roads which already are extremely busy.

Kind regards
