Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: My objections to this large development are:
1. Lack of doctors capability to deal with increased population. We moved here 2 years ago and the Crawley Down medical centre

does not have the staff and getting an appointment is nearly impossible.

2. Insufficient school places

3. Traffic access onto the busy Turners Hill road would be dangerous particularly the access by the railway bridge where vehicles still tend to be speeding and line of sight is poor.

Kind regards
