Land off West Hoathly Road.East Grinstead, 44 dwellings with access .parking, landscaping and associated works.

Not a very sensible idea, Dunnings Road is already too busy, West Hoathly road at this point is narrow and has a dangerously narrow pavement which is used by people taking children to Toybox Nursery. 44 dwellings = what 80 cars? Plus the additional pressure on local services, as things are we can't get Doctors appointments and another 100+ people in the area is just going to make things worse. NIMBYism maybe but the location and infrastructure isn't up to it.
David Styles.
