Dear Madam

Re: Application no: DM/25/2478
Adjacent Great Haywards, Wealden Way, Haywards Heath
Proposed erection of 1 No. detached self-built dwelling and garage
with provision of new access from Wealden Way

I write to object to the above planning proposal and for a number of reasons...

- ◆ Close proximity to a 14th century historic grade II listed building
- ◆ Loss of green space – destruction of trees/ponds and significant habitation of wildlife there
- ◆ Bad flooding from area exists
- ◆ Noise and disturbance to a quiet area plus increased traffic/parking
- ◆ We were lead to believe that agreement was in place NOT to build again within Gt. Haywards land

Yours sincerely,
