Subject: Worth Abbey DM/26/0330

Hi Andy

Further to the email from Christian with attached amended plans, received on Tuesday 14th, I can confirm that the revised proposal which omits the roof level plant in favour of replacement windows with concealed trickle vents is acceptable. As amended, the application will in my opinion preserve the special interest of the listed building and its setting, meeting the requirements of District Plan Policy DP35 and the relevant paragraphs of the NPPF.

I would recommend the following conditions:

- Detailed hard and soft landscaping plan including details of any new or altered hard surfacing materials, retaining walls or other means of enclosure, and lighting.
- Detailed drawings, at an appropriate large scale, including sections, and annotated to show materials and finishes, of the following:
 - - Typical examples of new or replacement windows and glazing
 - - Typical examples of new external doors

Thanks

Emily
