Customer Details

Address: 4 Lagwood Close Hassocks West Sussex

Comments Details

Commenter Type:	Town or parish council
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Twineham Parish Council wishes to object to this application. The applicants have sold off a substantial amount of stabling and an outdoor sand school and now find themselves without these facilities. The application, for an outdoor sand school and stabling for 6 horses on a relatively small site (which floods at the northern end), seems excessive. This would seem to be overdevelopment

of the site.

The site in question is in close proximity to two Grade 2 Listed Buildings, and the proposed development will have a detrimental effect on them.

In the event that planning permission is granted for this site, Twineham Parish Council would request that the present temporary stabling is removed.

As has been raised in the pre-app advice, the scheme does cause "harm" to the surrounding setting of the listed buildings and additionally does not provide any public benefit to balance this harm.

We should like to add that we are concerned about the constant building works at Wyndham Farm and the detrimental and cumulative effect this is having on the neighbouring residents.

Kind regards
