Subject: Discharge of Condition 13 (Fire Hydrants) - DM/26/1420 Wealden House Lewes Road Ashurst Wood West Sussex RH19 3TB

FAO: Steven King

Dear Steven,

Provided the fire hydrant indicated on the plan is in place, ready for use and West Sussex Fire & Rescue Service are informed it is ready for use the fire hydrant condition raised will be met and can be discharged. Unfortunately, on too many occasions WSFRS are not informed when a FH is ready for adoption, which then puts lives and properties at greater risk in the event of a fire.

Regards
Ian
