Dear Roger

Thank you for organising my site visit with Andrew last week. It was good to be able to discuss the details of the application, external construction materials for the proposed

houses, landscaping plans and carport/solar provision and the plans for the pond, and, as a result, some amendments to the current submission.

As agreed on site a new Decision Target Date will be required upon submission of revised Site Layout, supported by an Ecological Report, and revised plans for the two dwellings, frontage layouts, etc. The new Decision Target date can be calculated at that time, but for now I hope that you will agree an Extension of time from the current agreed date of 31.10.2025 to 19.12.2025, as discussed with Andrew.

I look forward to hearing from you.

Regards

Hi Anna,

We've let the vendor know so just checking that's OK.

Is 11am convenient? My client would quite like to meet you on site, if that's possible?

Kind regards

Dear Roger  
Thank you for your recent emails.

With regards to a site visit, please confirm if I need to agree access for this with you or the owners of Woodside Grange? I can schedule a visit on Friday morning this week, if that is convenient?

Thank you for confirming that you intend to progress amended ecology/tree/landscaping details for the ponds and revise the proposal for this area. Upon receipt of the amended plans and details I will need to readvertise the application and reconsult the relevant consultees for a 21 day period. This will require your clients' agreement to a further Extension of time, which I will be able to calculate upon their receipt.

To answer your other questions from last week:

**I trust the issue re the drainage/FRA relating to the application next door is still ongoing? Yes, I am awaiting further revised drainage details under Discharge of condition application DM/25/0240.**

**Would it be considered by the L.A. for issues relating to drainage/flood risk / Newts etc to be conditioned on approval? No, these matters need to be considered with input from the relevant consultees under the current Reserved Matters application.**

Please let me know about access arrangements for my site inspection.

Thank you.

Regards

Anna
