Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Effect and Appearance; The proposed building is very large and unattractive, and not in keeping with other buildings in the immediate area Loss of Privacy; The upper floor balcony is east facing, and will look directly onto our back garden, impacting our privacy. Visual Impact; We will see this dreadful building directly from our bedroom window. Conclusion;

We would ask the council to reject this application on the grounds of size, design and loss of privacy

Kind regards
