Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to the proposed picket fence at the front of the house included in these plans. Access for emergency and delivery vehicles will be compromised - particularly when a car is also parked against the opposite fence under the lamp post - making

the turn just too tight - both coming in and going out of Francis Road.

My objection is solely in relation to the new front fence not the proposed works on the cottage.

Kind regards
