Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We object to the loss of privacy caused by first-floor balconies overlooking our property, including our main bedroom, living/dining room, and garden. We also oppose the impact on the neighborhood's character.

Eastern Road and Dellney Avenue houses have faced away from each other, ensuring privacy. Converting these two houses into flats with first-floor living areas and balconies overlooking the rears of other homes is out of character and invades our privacy.

Kind regards
