Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this application due to the likely detrimental impact on the Lewes Road Conservation area, and the lack of consideration for the wildlife and biodiversity in the area. This area is currently home to ancient woodland, dormice, deer and more, and claims that the build will occur around the hedges shows a lack of thought and care for the ecology of the area.

Kind regards
