Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to this application. The land on which these houses are proposing to be built is currently home to wildlife such as bats, door mice, hedgehogs, voles, field mice and countless insects. Any construction work that takes place will result in the loss of habitat for all the wildlife, and it will not return once it has been built on with bricks and concrete.

Kind regards
