Commenter Type: Neighbour or general public

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: We object to this application as the natural spring fed pond should never have been drained, capped and filled in without prior planning approval. The loss of a natural wildlife environment is unforgivable and should be replaced.
Surrounding properties are suffering from a large increase in surface water since the pond was destroyed, which is not due to rainfall. This will no doubt cause unforeseen problems in unknown places.
I do hope these issues will be fully investigated.

Regards,
Jeff

Kind regards
