Dear Jessica

Please see below updated consultation comment from Burgess Hill Town Council.

DM/25/2945 - 14 CULPEPPER, BURGESS HILL, RH15 8UB

Proposal: Retrospective application for a Dutch barn style shed at the front of property (updated plans received on 08/12/2025).

RESOLVED: The Burgess Hill Town Council Planning Committee noted the representation made by the member of the public. The Committee cannot withdraw the original **recommendation**. However, the Planning Committee agreed that an additional supplementary comment be appended.

The Committee of 27th January 2026 appended that:

The Planning Committee notes concerns over loss of parking amenity and requested that: suitable parking management restrictions for parking amenity be required to comply with **Policy DP28 Accessibility**; and conditions regarding domestic storage only and suitable noise conditions be applied. Committee wished to note that had the residents' objection been available at the time of the Committee's initial **recommendation**, the **recommendation** may have been different.

Many Thanks

Kind Regards

Sam
