

TQ3736

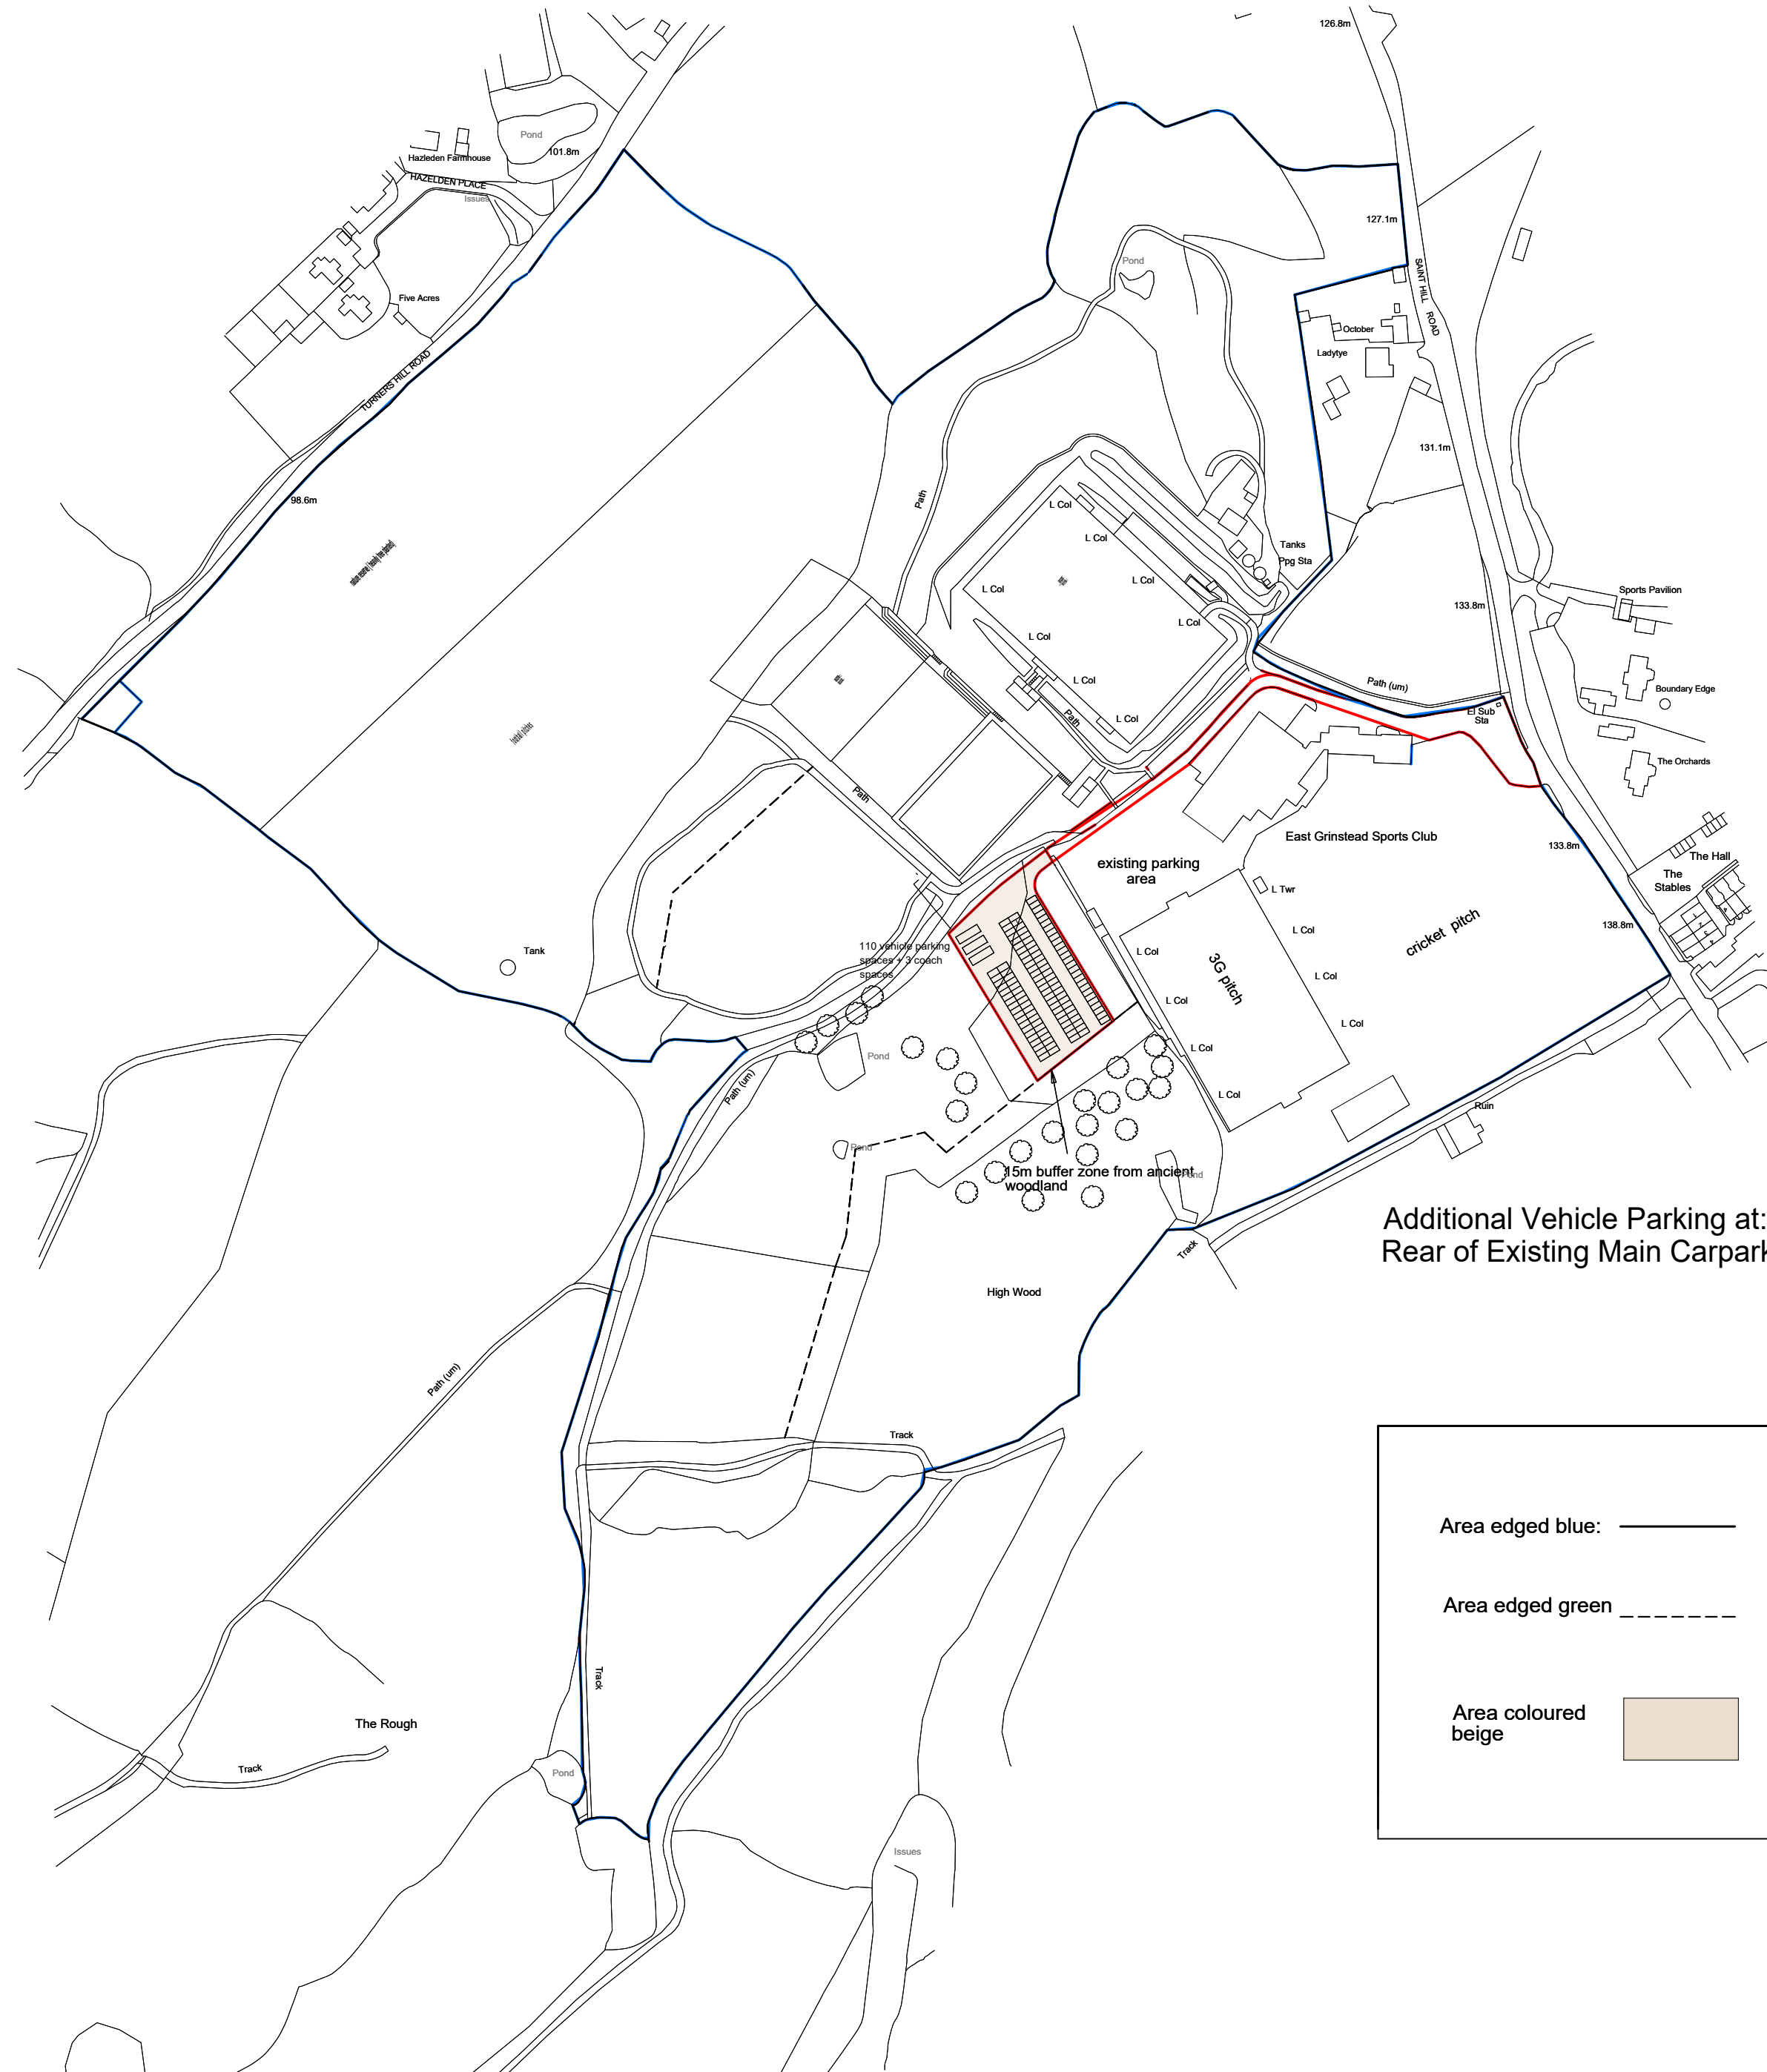

Figure 1 is a schematic representation of the experimental design. It shows a timeline of 10 minutes. The timeline is divided into two main sections, each lasting 5 minutes. The first 5-minute section starts with a 5-minute rest period, followed by a 1-minute rest period, and then four 1-minute trials labeled 1, 2, 3, and 4. The second 5-minute section starts with four 1-minute trials labeled 1, 2, 3, and 4, followed by a 1-minute rest period, and ends with a 5-minute rest period.
