Comments Details

Comments:	I have reviewed the planning application for temporary filming within the Lidl and Heights units (Unit 38 and 49) at The Martlets Shopping Centre. The proposal includes a total of 28 days of filming within a 12-month period, with applicable dates covering 40 days to allow for schedule adjustments. Filming is scheduled to take place between 09:00 and 18:00, and all activities will be conducted inside the building. Based on the information provided, I have no objections to this application. The measures outlined suggest that noise impact will be minimal. However, should any noise complaints arise during the filming period, the applicant should be aware we would be duty-bound to investigate under the Environmental Protection Act 1990.
