Subject: Planning application DM/25/0014 and DM/25/0015

[REDACTED]
I refer to our previous comments on these proposals which should be considered in relation to these latest applications.

in summary our main concerns are :-

- The problems with traffic in Turners Hill Road.
- The doctors' surgery is at capacity and will be unable to take on additional patients.
- The school is at capacity and will be unable to meet the needs of new residents.
- The development will not be carbon neutral.

I hope you will take these comments into account when considering this application.

Kind regards

[REDACTED]
