Dear Mr Tony Lock

Re: Siteworks Quotation for the provision of Multi Utility infrastructure at Land North of Mackie Avenue,
Ockley Lane, HASSOCKS, West Sussex, BN6 8NX

Further to the information received advising us of revisions to be made to the network N0023027-1 at
the above site, the costing is as follows:

Siteworks Quotation
Siteworks Quotation Price:

£ 6,614.70 (excluding VAT)

For commercial only projects VAT is chargeable at the standard rate.

For domestic only / or mixed use projects VAT is zero rated.

Description of Works:

Fibre Terms

This quotation is for the provision of Additional mains to feed 4x future plots.

The connection will be taken from the chamber outside plot 301.

It is assumed that all 4 plots require only 1 cable and that no plot requires a direct feed from the OSCP.

This quote assumes that all land is within ownership of the developer and that no legal easements are required.

Electric Terms

This quotation is for the provision of Additional mains to feed 4x Electric Heated future plots.

The connection will be taken from the existing 95mm mains

This quote does not include for any additional capacity requirements.

This quote assumes that all land is within ownership of the developer and that no legal easements are required.

Provision of 1No. 69kVA maximum three-phase TBS (fused at 100A).

This quote assumes the developer will provide and fit a minimum 350mm x 500mm meter board at their cost and will ensure suitable internal space and clearances to accommodate the meter board such that the bottom edge of the board will not be less than 450mm or more than 900mm from the ground.

This quote has allowed for the disconnection of service.

Water Terms

This quotation is for the provision of Additional mains to feed 4x future plots at 0.05 l/s.

The connection will be taken from the existing 63mm mains

It has been confirmed that no hydrants are required. If this changes then a connection will be required from the 90mm mains and will incur additional costs.

This quote also includes for a Standard Temporary Builders Supply, comprising a 32mm service, 20mm meter and boundary box capable of 1.1 l/s

This quote does not include for any additional capacity requirements.

This quote assumes that all land is within ownership of the developer and that no legal easements are required.

General Terms

The Existing Hedgerow to be removed by the developer.

Developer to complete all excavation and reinstatement.

This quote does not include ducting as this is the responsibility of the developer to install suitable ducts and jointing pits at the developer's cost to GTC specifications.

Acceptance

- We will require payment and a written acceptance of this quotation 7 days before work can be scheduled to take place on your development. (Please complete the tear off slip on Page 2)

- This Quotation is valid for a period of 30 days.
- When paying by BACS, please ensure your payment quotes the GTC Siteworks Quotation Reference Number to enable us to process as quickly as possible. The signed acceptance form must also be returned. Please use the following BACs details
