|-----------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|           | Balcombe Parish Council would like to defer to the Tree Officer's professional assessment.                                                                                                                                        |
| Comments: | Balcombe Parish Council notes that it is believed the house is newer than the tree. If the Tree Officer finds that the tree is in good health and does not pose a risk to safety, then the Parish Council objects to its removal. |

Kind regards
