Commenter Type:	MSDC - Internal Department
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We do not want this 5G monstrous telecom mast in our area, the enviroment has already taken a bashing from developers in haywards heath, so i object very strongly about this, and the site they want to use is very close to a playground and houses, and to top it all it will look ungly, what on earth is happening to our lovely town, i was born here and to be honest its not a nice town anymore because od developers.

Kind regards
