Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	As someone who regularly attends both church services and local sporting events, I would greatly appreciate improvements to the parking facilities. Enhanced parking would significantly ease access during large community events such as the Easter egg

hunt and the seasonal ice rink, which attract substantial attendance. It would also provide meaningful support to local sports organisations, particularly the rugby and hockey clubs, which rely on this parking during major fixtures and tournaments. Improved infrastructure in this area would serve a wide range of community needs. Thank you.

Kind regards
