You don't often get email from clerk@horstedkeynes-pc.gov.uk. Learn why this is important

Dear Stefan,

The Council has no objection to this application but would like for there to be a condition or request that blinds are fitted to any skylight windows to project the dark skies at night as highlighted in the Horsted Keynes Neighbourhood plan please.

Thank you for your help,

Kind regards

Anita

Dear Anita,

I can confirm that an extension of time has been requested but not yet confirmed for this application which would take us beyond the 8th of July and allow for further comments to be submitted by the Parish Council.

Should anything change in the meantime, I will keep you updated.

Dear Stephen,

Please would it possible for the Council to submit it comments on this application after our next meeting on 8th July? I do understand this may not be possible but the delay has been caused as I have been away on annual leave so we have not had any meetings in this time but if there is a possibly of an extension for us to submit our comments I would be grateful.
