Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I moved into bolnore village three years ago because of its proximity to unspoilt woodland and countryside. I believe that is one of the main draws of where I live. I understand the benefits of having a mast installed in the area but its height and proximity to residential areas will make it an eyesore that ruins the natural beauty of the area.

Kind regards
