| Comments:            | <p>I am a director of Rockwood Park. We support the application because:</p> <ul style="list-style-type: none"><li>It will ease traffic at times of events.</li><li>Reduce noise pollution and light pollution from Klarg lights and generators during events, especially in winter.</li><li>Discourage parking on the grass verges to the road.</li><li>The cellular paving grid will enhance the visual appearance, as the fields get quite ugly and muddy in winter.</li><li>Reduce illegal parking on our property during events.</li><li>Enhance the experience of the general public at the public events (eg Easter and Summer Fairs)</li></ul> |
