Reasons for comment:	
Comments:	I fully support this. St Hill put on many community events for the local area. I see that this would benefit the whole community and wider community. I have personally seen the benefit of St Hill helping local charities such as Age UK, Bluebell Railway to name a few. These events help these charities to survive and allow these charities to continue doing the good work on a continued basis. As an East Grinstead family business we get one of our highest ever sales in the weekend of the big event in October. Our local shop benefits greatly and supports many other families financially as a result. This would help the economic impact of the local East Grinstead area and wider community.

Kind regards
