5th April 26

Dear Sir/Madam,

I am writing from within Ansty and Staplefield Parish area to support application DM/26/0454 address Land Parcel At, Bolney Road, Ansty, West Sussex

Ansty has always relied on a mix of households to keep the community thriving. However, the shortage of modest two- and three-bed homes is pushing young families and long-term residents out of the area. This development would help restore balance by offering homes that are realistically attainable and truly needed.

I believe the proposal supports the future stability and vitality of the parish.
