Hi Andy,

Thanks.

In terms of possible LCI projects for this application 68-70 Church Walk, Burgess Hill for £5,026:

- Towards Speed Indicator Devices (SIDs) and/or Place & Connectivity Programme in Burgess Hill; and/or
- Public realm improvements in connection with St John's Park Masterplan, Burgess Hill; and/or
- Towards upgrading the public toilets at St Johns Park Pavilion, Burgess Hill.

I trust this is helpful.

Kind regards
Mark

Hi Mark

I am dealing with the S106 for this application, which has generated an LCI contribution of £5,026. Could you please advise on the project(s) this money could be spent on.

Thank you
