Reasons for comment:	
Comments:	I do not support this as I think we do not need another convenience store in the village and once someone takes control Of the Prince Albert we will have a decent village pub in the centre of the village. What the village needs is a good village pub, central to the village and the St Modwens estate. With a garden, not a postage stamp of a garden. The pin has been run into the ground

and needs cash injection but not on the back of apartments and a convenience store

Kind regards
