Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this planning application on the grounds that we do not need another convenience shop in the village. I object because the last planning application granted in 2015 was started and not completed leaving a large container in the pub garden and a demolished building in the back garden. If this application is granted will we be left with a smaller more unkempt garden that is then not only ugly to look at but unusable in the summer months.

Kind regards
