I refer to the above mentioned application, which was considered in accordance with the Council's approved scheme of delegation on 24 July 2026.

I am now able to advise you that this Council RAISES OBJECTIONS to this application.

1. The proposed development would appear to have implications for the strategic planning aims of Wealden District Council, and therefore an objection is raised to this application.

I trust that this information is sufficient and would be very grateful if you would advise this Department of any forthcoming decision.

Yours sincerely,

Head of Planning & Environmental Services
