### Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Reprehensible to build so close to the nature reserve, an area enjoyed by dog walkers and families alike for its peacefulness and open views. We have so many, many housing developments surrounding the town already, wildlife (now struggling locally), will

clearly suffer. Traffic, already congested along Keymer Road, will worsen and Oak Hall Park will become even more clogged with people parking for the station. This development is badly thought out and really not necessary.
