Reasons for comment:	
Comments:	That's a threat if ever there was one! Big companies throwing their weight around to get what they want. 'Refuse this and we will appeal and win'

Well, it is clear Copthorne residents want this scheme thrown out and if it isn't there should be a public enquiry as to why it was allowed. Whatever the fancy reports come up with shows total disregard to us the villagers. These giants will be hard to beat and if this goes ahead people should boycott the store. Its time we should be listened to so come on people submit your objections again and again! Let's stand up to them. Do your bit Mid Sussex don't be bullied - refuse it.

Kind regards
