Hi Sarah,

I have just left you a voicemail but following up with an email.

When planning permission was approved for the construction of the dwelling in application DM/15/5038, permitted development rights were removed to convert the garage.

Condition 13 states:

'No dwelling, hereby approved, shall be occupied until the car parking spaces (including the garages) have been provided, surfaced and marked out in accordance with the approved plan. These spaces shall thereafter be retained at all times for their designated use.

Reason: To provide the maximum level of car parking for the development in accordance with the District Council car parking standards and to accord with Policy T5 of the Mid Sussex Local Plan and Policy DP19 of the draft District Plan.'

As a result, planning permission would be required to convert the garage into a home office. Additionally the side facing windows on the roof slope would be required to be obscure glazed.

I will therefore be writing up the application for refusal tomorrow unless you wish to withdraw.

Kind regards

Peter

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
