Reasons for comment:	
Comments:	Whilst I have no objection to new developments in general- the area of major concern with this proposal is road safety. The entrance/exit for that amount of traffic onto Church road opposite a school WILL result in further accidents and casualties-be they

pedestrians- cyclists- cars or lorries. There is already a continuous daily flow of traffic both ways past the proposed entry/exit and this will only increase the danger at that point -which is not acceptable.

Kind regards
