Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to the stated proposal for pádel courts, on the grounds of the substantial and constant noise (very difficult to live with as an owner and resident) and large increase in traffic, for which the surrounding roads and parking provision are neither designed nor capable of accommodating. I would urge our councillors to consider rejecting.

Kind regards
