Subject: Amendments required for DM/24/2909. 12 Churchill Way, Burgess Hill.

Hi Graham,

As promised here is my email following our telephone conversation just now.

Please can you provide an amended drawing to correct the following points on the Existing and Proposed Elevations and Floor Layouts 2124.PO. Please annotate this as Rev A:

- Show internal door opening to lounge on proposed ground floor layout
- Centralise position of windows on south/front elevation of proposed two storey extension

- Correct annotation of Proposed West and East Elevations
- Show Juliet balcony detail at first floor on proposed rear/north elevation

I don't believe these changes to be materially different and will not therefore reconsult.

It would however, be helpful if you could, by way of return confirm your agreement to an extension of time for me to finalise my report and update the records. I am going to suggest February 5th?

I look forward to hearing from you.

Kind regards,

Rachel.
